LEADERSHIP

# PEER SUPPORT NETWORKS

**The power of school leaders working together to support one another other has never been more important and so we have created a range of different Peer Support Networks to further build a movement of leaders committed to transformational change.**

## What makes CEFEL Peer Support Networks Special ?

- 6x expert-led sessions which you and your network participants
- 6x network sessions, organized and led locally by YOU! With the resources
- 6x training network sessions for you
- CEFEL support when necessary

The different networks we offer seek to 'develop inspirational leaders, who are called, connected and committed to delivering the Church of England's vision for education'.
